Find the long case with place names on it.

The map shows you where things were found and the layers show you how old things are.

Are the oldest objects towards the back of the case or the front? Why?

Tick the box when you have found:

- the three layers of objects
- the Roman road
- the River Cam

Which object looks the most interesting to you?

My favourite object on the Cambridge wall looks like this and it was found on the _____ layer

Find two arrowheads that are different shapes.

Why do you think they have been shaped differently?

Find out more about this mystery object:

It is called a _____
and it is made of _____

Find this brooch.

What sort of person do you think owned it?
A man or a woman?
Were they rich or poor?

Anglo-Saxon and Viking
410 - 1066 AD

Medieval

1066 - 1550 AD

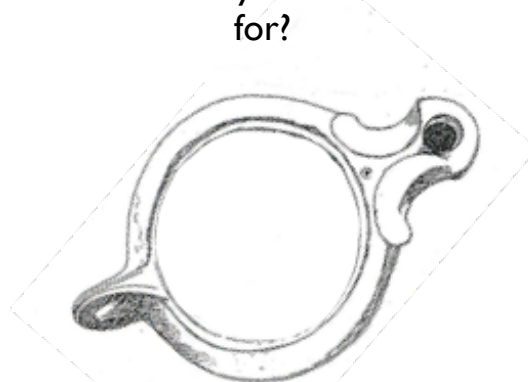

Find this cup.

It has decoration that can only be seen when someone is drinking.

If it were your cup, what secret message would you put on it?

Can you find this object? Finish the picture. What do you think it was used for?

Can you find the object described in this riddle and answer the question?

*I'm 'gown' not 'town',
I'm white, yellow and round.
I show a saint looking up,
But what's he got in his cup?*
